To Our Customers,

It all started with the Deerwood Deli & Diner which, until recently, had been owned and operated by Salem & Donna Ghanayem since its purchase in 1983. The restaurant was built in the early 1970s, making it one of the first dining establishments in the Deerwood/Baymeadows area – A Real Dining Tradition!

In May 2008, a new addition was added to the family – Johnny Angel's. Johnny Angel's started as a fictional inspiration, but through hard labor, creativity & prayer, it has finally come into existence. We are very proud & honored to share it with you.

Most of you have been right here with us, and to you we say "thank you!"

To those of you who have recently joined us, welcome to the family! We appreciate your patronage and your friendship. We have set high standards for both our food quality and our service staff. We hope that you enjoy your meal and ask that you tell a friend about us. In the unlikely event that you don't enjoy it, please tell us!

Here's to your eating enjoyment!

Salem and Donna
